Thaddeus Mason Harris, Edward Holden & Isaac Thom  
were severally ballotted for and accepted; and Comp<sup>n</sup> Thom  
was created a Knight of the Red Cross. — an Encampment of

created a Knight Templar and Knight of Malta, of the Order  
of St John of Jerusalem. A communication from Comp<sup>n</sup>  
Asa Eaton, declining to receive these Orders, was expressed  
to the Encampment by Sir John B. Hammatt; stating as a  
reason, the impossibility, at present, of attending strictly to his  
masonic engagements, owing to the nature of his avocations; and  
soliciting the indulgence of this Encampment, that this may  
not be construed as a disrespect to the Order; and that it may  
not prevent him from coming forward at some future time.  
Whereupon. Voted that Companions Asa Eatons Communi-  
cation be accepted & his wishes be complied with. — The En-  
campment was then disbanded in harmony & good fellowship

The following Report was also read & Accepted & the Committee receive the Thanks of the Encampment for their attention to the Subjects

Over

The Committee appointed "to take into consideration all the principal objects of the Encampment, to examine its Bylaws its Financial concerns and its prospects of future success" have attended to their duty & ask leave to Report

That it is necessary in order to explain the objects of the Encampment, to advert to the circumstances which occasioned its origin - In 1802 the following Comps<sup>s</sup> (having some years previous received the orders of Red Cross K Templar & K of Malta from competent authority, agreed to establish a Council of the Red Cross in this town, viz Benjamin Hurd, Elisha Sigourney, Benjamin Smith Joshua Eaton, Samuel Billings & Henry Fowle; and as there was not at that time any Grand Encampment or any superior establishment of authority in this country to take cognizance of their doings or to sanction their proceedings they called an assembly at Masons hall (Green Dragon) elected their officers & agreed to hold their assemblies on the Red Cross Orders only; but not long after they had commenced business a number of foreigners principally Irish, and not of very reputable character, attempted to establish an Encampment of Knights Templars in the Town of Boston & actually conferred the degrees of Mark Master, Royal Arch & several others besides the Orders of K Templars &c on ten or twelve persons of no better reputation than themselves. And in order to give a colour of authority to their doings they (it is supposed) stole the Charter of the Rising States Lodge & carried it in a Hackney Coach over one Bridge, bringing it into town by another, thereby constituting it a traveling Charter as they expressed it -

The Boston Council were perfectly acquainted with all

all their movements, & in concert with the Grand Marshal of the Grand Lodge - formed & executed a plan by which all the members of this new establishment were seized in the very act of conferring the Orders, and the said Charter together with all the Jewells of said Lodge were found upon them & restored to their places. And in order to prevent a revival of the business the Boston Council determined to open an Encampment of K Templars & Ks of Malta of the order of St John of Jerusalem: this was accordingly done & soon afterward they received a communication from an Encampment at Providence R.S. proposing the establishment of a Grand Encampment for the New England States, this was accomplished in 1804 the Encampment of Newburyport concurring -

Thus the primary & principal objects of the Encampment were to rescue the Orders from the power of those who were a disgrace to any society; and their exertions were successful for (except in one instance only, when an attempt similar to the above, & by some of the same persons, was detected at Roxbury, & the abettors were severely punished) the Orders have ever since proceeded in harmony & good fellowship - The Encampments have not greatly increased in number, nor is it necessary at least at present -

The present object of the Encampment, your Committee presume, in addition to the preservation of the orders, is the selection of the Wise & the Good, who will encourage & practice those amiable virtues which render the possessor useful to his brethren, happy in himself & honorable in the World -

Your Committee have examined the By Laws

are of opinion that they are adequate to most of the purposes of the present time but they would respectfully recommend the following additional Article be inserted after the first Section of the fifth Article viz On the Application of a Regular Clergyman for the Orders he may be admitted, on paying Ten Dollars towards the expences of the Meeting, provided his recommendations be satisfactory

The financial concerns of the Encampment are in as good a state as they usually have been; & promise that with proper management, we may always possess means adequate to all necessary expenditures. - It must be recollected that the Members pay very small quarters and have not often been assessed; and that it is not necessary to our objects to have on hand a very large sum. The Treasurer Reports that the recd of the last year including the balance of last Accounts is \$267.<sup>64</sup>/<sub>100</sub> & the expences were \$194.<sup>45</sup>/<sub>100</sub> leaving a balance due the Encampment of \$73.19 Cts -

As it respects our prospects of future success, your Committee are of opinion that they are as flattering at present as they have been at any former period. And are assured that if the Members will exert those talents & abilities which they so eminently possess in the acquirement of knowledge, & support of the Institution, the character & fame of the Boston Encampment will not be second to any institution of the kind in the U States. Your Committee therefore propose the adoption of the following Resolution viz

Resolved that we will continue to meet Monthly as usual, and will give our punctual attendance at

all times when it shall not interfere with our other concerns, and will exert our best endeavours to promote the Harmony, respectability & the best interests of this Institution

Respectfully submitted

To the Members of the Boston Encampment  
of Knights Templars, Boston 29<sup>th</sup> March 1820.

Sir Knights The duties I owe to myself, to you,  
& above all to the high & responsible offices to which my

Brethren have repeatedly called me, demand that I  
require an investigation of the recent conduct of one of  
our Members -

Sir L.S. Whitman, on the evening of  
Wednesday the 22<sup>nd</sup> Inst<sup>l</sup>, after St Andrews Royal Arch  
Chapter was closed & in presence of several strangers as well  
as Members, & in the lobby adjoining the Masonic Hall,  
did then & there, in the most violent indecorous and  
unmasonic manner, abuse the character of your first  
officer, your Grand Commander. The Terms used in  
the abuse will not now be repeated, but if your Grand  
Commander be as Sir L.S. Whitman has represented,  
he is unworthy your favour & friendship. - But if  
not, what does that Knight deserve who instead of  
vindicting a Brothers Character when traduced (as he  
has solemnly promised) is the first to traduce it himself.

I therefore demand, that a Committee be appointed  
to inquire into the conduct of the said Sir L.S. Whitman  
on said evening, with power to send for persons as Witnesses  
& Report at a special Meeting of this Encampment to be  
called for that purpose. - Signed - Henry Fowle P.E.

~ Formed an Encampment of Knights Templars. The proceedings of the last Meeting were read & Sir Henry Fowle having resigned the Chair to Sir Robert Lash the Committee to whom was referred his Communication Reported as follows W<sup>h</sup> ~

The Committee appointed by the Boston Encampment of Knights Templars on the 29<sup>th</sup> of March last to inquire into the conduct of Sir L. P. Whitman respecting his indecorous & unmasonic behaviour & for abusing & vilifying the Character of Sir Henry Fowle the Grand Commander of said Encampment on the Evening of the 22<sup>nd</sup> of March last past, have attended their duty & ask leave to Report

Your Committee regret extremely that this unhappy affair ever took place; that in order to preserve the respectability of this Society it should be thought necessary to impede

the Conduct of any of its Members. Your Committee have examined a number of Witnesses in the case & from their testimony the Committee are fully satisfied that Sir L. P. Whitman on the evening of the 22<sup>nd</sup> of March last past in a Room adjacent to the Masonic Hall in Ann Street in presence of a number of persons in a most violent & indecorous manner unbecoming a Mason, more particularly a Knight Templar, in open violation of his obligation & without any provocation whatever contriving to injure the good name & reputation of our worthy Grand Commander Sir Henry Fowle, did then & there make use of very indecorous & profane language intended to traduce & vilify particularly the good name & reputation of said Sir Henry Fowle & in a manner disgraceful to himself & calculated to bring inevitable ruin upon Freemasonry generally & upon this order of Knighthood in particular All which is respectfully submitted by //

The Committee appointed to

take into consideration the Report of your late Committee respecting Sir L. P. Whitman accepted this evening by the Encampment, have attended the duties assigned them, & beg leave respectfully to report:— In the opinion of your Committee Sir L. P. Whitman has behaved in such a manner, and has so far violated his obligations as a Knight Templar, as to render him unworthy the confidence of all Sir Knights, & to have forfeited all his right as a Member of the Encampment. They therefore recommend, that Sir L. P. Whitman's name be erased from the Bylaws of said Encampment, & that he be no longer considered a Member thereof.
